

REFEREES

John Corbett is the Club Referee Assignor who assigns referees for GVSA and State Cup games. Once the field schedules are final, referees will be assigned to each game.

It is VERY IMPORTANT that the Team Manager verifies the accuracy of each HOME game date/time/location and inform the Club Administrator immediately if there are any errors. This is what the referee assignor uses to assign referees.

All games except u7-u8 use a 3 man system with a Center Referee and 2 Sideline Referees

REFEREE FEES

Team Managers will receive a check to pay the referees prior to Fall and Spring seasons.

- Cash the check
 - Figure out how many 10's, 5's, and 1's you will need for each game.
 - Each age group has a different fee structure found on the league websites. Some leagues pay 100% of only home games and some pay 50% of all games
- Divide the money into three envelopes for each game labeled with the following:
 - Game date & location
 - Game number & opponent's names
 - Referee intended for (center, AR)
 - Amount enclosed

NO-SHOW REFEREES

In the event a sideline referee does not show, the center referee will assign a club linesman (parent) and the AR fee will be returned to you. (Ask them for it back if they forget) (Or don't give all money to the center referee until all referees have arrived). This money should be returned to the club.
